Awards Committee Guidelines and Responsibilities

The Awards Committee shall be composed of up to four (4) members from each region. Each Region President may ask for volunteers from their respective regions to sit on the Awards Committee or may select appointments as needed. Advisor and Student of the Year nominees may not serve on the Awards Committee. The TJCSGA Executive Board shall also appoint up to twelve (12) external judges not affiliated with TJCSGA. The TJCSGA President has final appointment approval.

Members of the Awards Committee are charged with examining each submission assigned to them. These submissions represent countless hours of work and thought. The consideration of these entries is of high importance. The first order of business will be the committee's selection of chair by a poll vote within the first meeting. The executive board shall appoint up to two (2) advisors to serve as ex-officio members of the committee. In addition, the President of TJCSGA serves as an ex-officio member of this and the other committees excluding the Nominations Committee. There shall be four (4) zoom channels made for this committee. A zoom channel for the entire committee with three (3) break out sections for the sub-committees.

It is the committee member's responsibility to thoughtfully consider the merits of each submission and not to rush through them. **It is mandatory that notes be made on each score card to justify his or her score of the submission.** Also, remember that each submission has been completed to the best of the ability of the member colleges with only those resources available to them. If disqualifications occur after the submission process, it is the responsibility of the committee to come to a consensus in these cases and to provide justification for disqualification on the scorecards for the submission.

The committee shall be divided into up to four (4) groups with equal number of region representatives. The external judges divided equally among the groups.

Once scores are submitted, both the highest and lowest scores of each submission will be dropped before tabulations. All scorecards must include committees supporting point values.

The members of the TJCSGA Executive Board are extremely grateful to the Awards Committee members for serving in this committee.

Competition Requirements and Judging Criteria

The purpose of these competitions is to allow the opportunity for students to reflect on the role of their SGA within their school and community, with an eye toward preparing future SGA members to continue their work. Successful entries will demonstrate the importance of the interaction of various student groups of their college towards common goals.

Each submission must be made to the TJCSGA Host School at the registration table no later than 9:00am the Friday of the convention. The name of the college and the type of entry shall be submitted with each entry. Students must create all competition entries. No professional work will be permitted. All entries should be submitted in a legible text. It is imperative that all submissions fall within the guidelines of each category, as failure to do so will result in the disqualification for that entry. TJCSGA Judicial Policy must not be violated while at the convention.

Each member of the Awards Committee shall be provided with a packet of scorecards to rate each entry. The committee will judge each entry solely on the merits prescribed in these guidelines. Deviation from these standards is not allowed. After scores are submitted both highest and lowest score of each submitted will be dropped.

The following awards will be presented for each category :

1st Place - Plaque

2nd Place - Certificate

3rd Place - Certificate

Honorable Mention - to be given at the discretion of the awards committee.
