

## *State Awards and Committee Positions*

On the first day of State Convention, members of the region schools have the opportunity run for a position on a committee. There can only be one member per region on each committee. Once appointed to the committee, you may also have the opportunity to run for chair of the committee. Keep in mind that several state committee meetings take place during other convention sessions. If you are interested in serving on a committee, please speak to your local board and your advisor and look over the [TJCSGA State Constitution](#).
